Article II

1. DEFINITIONS

Special meanings are given to common words in the telecommunications industry, and coined words and acronyms are common in the custom and usage in the industry. Words used in this contract are to be understood according to the custom and usage of the telecommunications industry, as an exception to the general rule of contract interpretation that words are to be understood in their ordinary and popular sense. In addition to this rule of interpretation, the following terms used in this Agreement shall have the meanings as specified below:

1.1 "Act" means the Communications Act of 1934, as amended.

1.2 "Affiliate" means a person that (directly or indirectly) owns or controls, is owned or controlled by, or is under common ownership or control with, another person. For purposes of this paragraph, the term "own" means to own an equity interest (or the equivalent thereof) of more than 10 percent.

- 1.3 "Commercial Mobile Radio Services" or "CMRS" means Commercial Mobile Radio Services as defined in 47 CFR Part 20.
- 1.4 "Commission" means the Public Service Commission of North Dakota.
- 1.5 "EAS Service Area" means a group of two or more exchanges, as defined in TELCO's then current General Subscriber Service Tariff, among which a TELCO Customer may make landline-to-landline calls without incurring a toll charge.
- 1.6 "Central Office Switch" means a switch used to provide Telecommunications Services, including, but not limited to:
- (a) "End Office Switch" is a switch in which the subscriber station loops are terminated for connection to trunks. The subscriber receives terminating, switching, signaling, transmission, and related functions for a defined geographic area by means of an end office switch.
 - (b) "Remote End Office Switch" is a switch in which the subscriber station loops are terminated. The control equipment providing terminating, switching, signaling, transmission and related functions would reside in a host office. Local switching capabilities may be resident in a remote end office switch.
 - (c) "Host Office Switch" is a switch with centralized control over the functions of one or more remote end office switches. A host office switch can serve as an end office as well as providing services to other remote end offices requiring terminating, signaling, transmission, and related functions including local switching.
 - (d) "Tandem Office Switch" is a switching system that establishes trunk-to-trunk connections. Local tandems switch calls from one end office to another within the same geographic area, and access tandems switch traffic from host or end offices to and from an interexchange carrier. A tandem office switch can provide host office or end office switching functions as well as the tandem functions.
- A Central Office Switch may also be employed as a combination End Office/Tandem Office Switch.
- 1.7 "Effective Date" means the date first above written.
- 1.8 "FCC" means the Federal Communications Commission.
- 1.9 "Interconnection" for purposes of this Agreement is the indirect linking of TELCO and NEXTEL networks for the exchange of telecommunications

traffic described in this Agreement.

- 1.10 “Interexchange Carrier” or “IXC” means a carrier that is providing interexchange service.
- 1.11 “InterLATA Service” means telecommunications between a point located in a local access and transport area and a point located outside such area.
- 1.12 “Local Access and Transport Area” or “LATA” means a contiguous geographic area:
 - (a) Established before February 8, 1996, by a Bell operating company such that no exchange area includes points within more than 1 metropolitan statistical area, consolidated metropolitan statistical area, or State, except as expressly permitted under the AT&T Consent Decree; or
 - (b) Established or modified by a Bell operating company after February 8, 1996, and approved by the Commission.
- 1.13 “Subject Traffic” is defined for all purposes under this Agreement as Telecommunications Traffic that (a) is originated by a customer of one Party on that Party’s network, (b) terminates to a customer of the other Party on the other Party’s network within the same Major Trading Area (MTA), and (c) may be handled pursuant to an agreement between the originating Party and a carrier which performs only a transiting function for the originating Party in lieu of a direct connection between the Parties. For landline-originated traffic, Subject Traffic is limited to calls to NPA/NXXs within TELCO customers’ local or EAS calling scope.

For purposes of determining originating and terminating points of a call on the NEXTEL network under this agreement, the originating or terminating cell site locations will be used as the point of call origination and termination, respectively. The originating or terminating point of a call for TELCO shall be the Rate Center serving the calling or called party.
- 1.14 “Local Exchange Carrier” or “LEC” means any person that is engaged in the provision of telephone exchange service or exchange access. Such term does not include a person insofar as such person is engaged in the provision of a commercial mobile service under section 332(c) of this title, except to the extent that the Federal Communications Commission finds that such service should be included in the definition of such term.
- 1.15 “Major Trading Area” or “MTA” has the meaning given to the term in 47 CFR Section 24.202.
- 1.16 “NPA” or the “Number Plan Area” also referred to as an “area code” refers to the three-digit code which precedes the NXX in a dialing sequence and identifies the general calling area within the North American

Numbering Plan scope to which a call is to be routed (i.e., NPA/NXX-XXXX.).

- 1.17 “NXX” means the three-digit code, which appears as the first three digits of a seven-digit telephone number within a valid NPA or area code.
- 1.18 “Party” means either TELCO or NEXTEL, and “Parties” means TELCO and NEXTEL.
- 1.19 “Point of Interconnection” or “POI” means a mutually agreed upon point of demarcation within TELCO’s network where the exchange of traffic between the two Parties takes place.
- 1.20 “Reciprocal Compensation” means an arrangement between two carriers in which each receives the same compensation from the other carrier for the Transport and Termination on each carrier’s network of Subject Traffic, as defined in Section 1.13 above, that originates on the network facilities of the other carrier.
- 1.21 “Telecommunications Traffic” means the transmission, between or among points specified by the user, of information of the user’s choosing, without change in the form or content of the information as sent and received.
- 1.22 “Telecommunications Act” means the Communications Act of 1934, as amended.
- 1.23 “Telecommunications Carrier” means any provider of telecommunications services, except that such term does not include aggregators of telecommunications services (as defined in 47 U.S.C. Section 226(a)(2)). A telecommunications carrier shall be treated as a common carrier under this chapter only to the extent that it is engaged in providing telecommunications services, except that the Federal Communications Commission shall determine whether the provision of fixed and mobile satellite service shall be treated as common carriage. 1.22 “Termination” means the switching of Subject Traffic at the terminating carrier’s end office switch, or equivalent facility, and delivery of such traffic to the called party’s premises. 1.23 “Transiting Traffic” is traffic that originates from one provider’s network, “transits” one or more other provider’s network substantially unchanged, and terminates to yet another provider’s network.
- 1.24 “Transport” means the transmission and any necessary tandem switching of Subject Traffic subject to Section 251(b)(5) of the Act from the POI between the two carriers to the terminating carrier’s End Office Switch that directly serves the called party, or equivalent facility provided by a carrier other than an incumbent LEC.

2. INTERPRETATION AND CONSTRUCTION

All references to Sections, Exhibits, Appendices and Schedules shall be deemed to be references to Sections of, and Exhibits, Appendices and Schedules to, this Agreement unless the context shall otherwise require. The headings of the Sections and the terms are inserted for convenience of reference only and are not intended to be a part of or to affect the meaning of this Agreement. Unless the context shall otherwise require, any reference to any agreement, other instrument or other third party offering, guide or practice, statute, regulation, rule or tariff is for convenience of reference only and is not intended to be a part of or to affect the meaning of a rule or tariff as amended and supplemented from time-to-time (and, in the case of a statute, regulation, rule or tariff, to any successor provision).

3. SCOPE

- 3.1 This agreement applies to all Subject Traffic originated by the end user subscribers of one Party and terminated to end-user subscribers of the other Party by indirect interconnection, i.e., delivered over a third party provider's facilities that are performing transiting functions on behalf of the originating Party. Subject Traffic is subject to only the Reciprocal Compensation charges contained in Appendix A of this Agreement.
- 3.2 This Agreement is intended, inter alia, to describe and enable specific Reciprocal Compensation arrangements between the Parties. This Agreement does not obligate either Party to provide arrangements not specifically provided for herein. This Agreement relates to the indirect exchange of traffic between TELCO and NEXTEL. TELCO's NXXs are listed in Telcordia's Local Exchange Routing Guide ("LERG") for Operating Company Number ("OCN") listed in Appendix A of this Agreement. NEXTEL's NXXs are listed in LERG for OCN 6232 in the state of North Dakota.
- 3.3 This Agreement is limited to exchange of traffic that originates from or terminates to TELCO local exchange end-user customers for which TELCO has tariff authority to carry. This Agreement is further limited to exchange of NEXTEL end user customers' traffic to which NEXTEL provides service on a two-way wireless, mobile basis.
- 3.4 This Agreement does not cover the exchange of traffic for one-way mobile services such as paging, if provided by NEXTEL. Should NEXTEL desire to establish an interconnection agreement with TELCO for such services, TELCO will engage in bona fide negotiations with NEXTEL to establish an interconnection and compensation agreement for said one-way mobile services.
- 3.5 NEXTEL shall not provide transiting functions on behalf of TELCO and TELCO will not provide transiting functions for NEXTEL.

4. SERVICE AGREEMENT

This Section describes the network architecture with which the Parties to this Agreement may indirectly interconnect their respective networks for exchange of Subject Traffic.

- 4.1 Indirect Interconnection. The Parties agree to indirectly interconnect for the exchange of Subject Traffic via the facilities of a third party that performs a transit function on behalf of NEXTEL. Where NEXTEL elects to utilize the facilities of Qwest or any other carrier to transport traffic between NEXTEL's own facilities and TELCO'S network, NEXTEL shall be responsible for any applicable transiting charges from the third party carrier.
- 4.2 Transmission and Routing of Traffic: TELCO agrees to route originating traffic destined to a NEXTEL NPA/NXX rated out of one of the TELCO's rate centers to NEXTEL via indirect connections provided that NEXTEL assigns numbers from such NPA/NXX to customers within the local calling scope of TELCO customers and that NEXTEL has facilities to serve such customers.
- 4.3 Transiting Traffic: The Parties acknowledge and agree that this Agreement is intended to govern the exchange of traffic to and from the Parties respective networks only.
- 4.4 Technical Requirements and Standards: Each Party will provide the services in this Agreement to the other Party at a standard at least equal in quality and performance to that which the Party provides itself and others.
- 4.5 Nothing in this Agreement will limit either Party's ability to modify its network, including, without limitation, the incorporation of new equipment, new software or otherwise provided, neither Party shall modify its network to the extent such modification will disrupt or degrade the other Party's use of the network. Each Party will provide the other Party written notice, of any such modifications to its network, which it reasonably believes will materially impact the other Party's service no less than thirty days prior to such modification. Each Party will be solely responsible, at its own expense, for the overall design of its telecommunications services and for any redesigning or rearrangement of its telecommunications services which may be required as a consequence of this Agreement, including, without limitation, changes in facilities, operations or procedures, minimum network protection criteria, or operating or maintenance characteristics of facilities.

5. COMPENSATION

5.1 Traffic Subject to Reciprocal Compensation

Reciprocal Compensation applies to the Transport and Termination of one Party's Subject Traffic by another Party via indirect interconnection as described in Section 4.0. The rate for Reciprocal Compensation is listed in **Appendix A** to this Agreement.

- 5.2 Direct Billing. The Parties shall pay each other for all charges in accordance with the rates set forth in Appendix A of this agreement. Such payments are to be made within 45 days from the date of the receipt of the billing statement. The Parties shall pay a late charge on any undisputed charges, which are not paid within the 45-day period. The rate of the late charge shall be the lesser of 1.5% per month or the maximum amount allowed by law. If either Party disputes a billing statement issued by the other Party, the disputing Party shall notify the billing Party in writing regarding the nature and the basis of the dispute within sixty (60) days of the statement date. The Parties shall diligently work toward resolution of all billing issues.

5.3 Calculation of Payments and Billing.

- 5.3.1 NEXTEL will compensate TELCO for Subject Traffic delivered to TELCO for termination to its customers, as prescribed and at the rates provided in Section 5.1. TELCO will compensate NEXTEL for Subject Traffic delivered to NEXTEL for termination to its customers, as prescribed and at the rates provided in Sections 5.1.

- 5.3.2 TELCO shall prepare a monthly billing statement to NEXTEL which will separately reflect the calculation of Reciprocal Compensation due TELCO. Actual terminating usage recorded by TELCO and/or record/reports provided by Qwest will be used for billing NEXTEL. NEXTEL shall prepare a monthly billing statement for Reciprocal Compensation to TELCO. Reciprocal Compensation billed by NEXTEL to TELCO shall be based on the actual recorded usage (if available) or the Traffic Factor in Appendix A, 1.0. if actual recorded usage is not available.

- 5.3.3 Each party may request, upon sixty (60) days prior written notice, to inspect, during normal business hours, the actual records of Subject Traffic, which are the basis for any monthly bill issued by the other Party and to request copies thereof provided that the requested records do not exceed twelve (12) months in age from the date the monthly bill containing said record information was issued. Audit requests shall not be submitted more frequently than one (1) time every six (6) months.

- 5.3.4 All charges will be billed within twelve (12) months from the time the charge was incurred; previously unbilled charges more than twelve (12) months old shall not be billed by either Party, and shall not be payable by either Party.

6. NOTICE OF CHANGES

If a Party contemplates a change in its network, which it reasonably believes will materially affect the inter-operability of its network with the other Party, the Party making the change shall provide at least thirty (30) days advance written notice of such change to the other Party.

7. GENERAL RESPONSIBILITIES OF THE PARTIES

- 7.1 Each Party is individually responsible to provide facilities within its network which are necessary for routing, transporting and, consistent with Section 5, measuring and billing traffic from the other Party's network and for delivering such traffic to the other Party's network in a mutually acceptable format, and to terminate the traffic it receives in that mutually acceptable format to the proper address on its network. The Parties are each solely responsible for participation in and compliance with national network plans, but agree to work cooperatively on matters that require joint implementation. Neither Party shall use any service related to or use any of the services provided in this Agreement in any manner that prevents other persons from using their service or destroys the normal quality of service to other carriers or to either Party's customers, and subject to notice and a reasonable opportunity of the offending Party to cure any violation, either Party may discontinue or refuse service if the other Party violates this provision.
- 7.2 Each Party is solely responsible for the services it provides to its customers and to other Telecommunications Carriers.
- 7.3 Each Party is responsible for administering NXX codes assigned to it.
- 7.4 Each Party is responsible for obtaining Local Exchange Routing Guide ("LERG") listings of Common Language Location Identifier ("CLLI") assigned to its switches.
- 7.5 SS7 Out of Band Signaling (CCS/SS7) shall be the signaling of choice for interconnection trunks, where it is technically feasible for both Parties. Use of a third party provider of SS7 trunks, for connecting NEXTEL to the TELCO's SS7 systems is permitted. Such connections shall meet generally accepted industry technical standards.

- 7.6 Each Party shall be responsible for its own independent connections to the 911/E911 network.

8. TERM AND TERMINATION

- 8.1 Subject to the provisions of Sections 13 and 15, the initial term of this Agreement shall terminate on May 31, 2008. This Agreement shall automatically renew for successive six-month periods, unless, not less than sixty (60) days prior to the end of the Term or any renewal term, either party notifies the other party of its intent to terminate this Agreement in writing.
- 8.2 The Parties agree that disputed and undisputed amounts due under this Agreement shall be handled as follows:
- 8.2.1 If any portion of an amount due to a Party (the "Billing Party") under this Agreement is subject to a bona fide dispute between the Parties, the Party billed (the "Non-Paying Party") shall, within forty-five (45) days of its receipt of the invoice containing such disputed amount, give written notice to the Billing Party of the amounts it disputes ("Disputed Amounts") and include in such notice the specific details and reasons for disputing each item. The Non-Paying Party shall pay when due all undisputed amounts to the Billing Party. The Parties will work together in good faith to resolve issues relating to the disputed amounts. If the dispute is resolved such that payment is required, the Non-paying Party shall pay the disputed amounts with interest at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under North Dakota's applicable law. In addition, the Billing Party may cease terminating traffic for the Non-paying Party after undisputed amounts not paid become more than 90 days past due, provided the Billing Party gives an additional 30 days prior written notice and opportunity to cure the default.
- 8.2.2 Any undisputed amounts not paid when due shall accrue interest from the date such amounts were due at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under North Dakota's applicable law.
- 8.2.3 Undisputed amounts shall be paid within forty-five (45) days of receipt of invoice from the Billing Party.
- 8.3 Upon termination or expiration of this Agreement in accordance with this Section:
- (a) Each Party shall comply immediately with its obligations as set forth above;

(b) Each Party shall promptly pay all amounts (including any late payment charges) owed under this Agreement;

(c) Each Party's indemnification and confidentiality obligations shall survive termination or expiration of this Agreement.

8.4 Either Party may terminate this Agreement in whole or in part in the event of a default of the other Party, provided, however, that the non-defaulting Party notifies the defaulting Party in writing of the alleged default and the defaulting Party does not correct the alleged default within thirty (30) days after receipt of written notice thereof.

8.5 If prior to expiration or termination of this Agreement either Party requests the negotiation of a successor agreement subject to the terms of Section 8.1, then upon approval of the successor agreement this Agreement shall terminate. If the Parties are unable to negotiate a successor agreement within the statutory time frame set for negotiations under the Act, then either Party has the right to submit this matter to the Commission for resolution pursuant to the statutory rules for arbitration under the Act.

9. CANCELLATION CHARGES

Except as provided herein, no cancellation charges shall apply.

10. SEVERABILITY

10.1 In the event that any one or more of the provisions contained herein shall for any reason be held to be unenforceable or invalid in any respect under law or regulation, the Parties will negotiate in good faith for replacement language as set forth herein. If any part of this Agreement is held to be invalid or unenforceable for any reason, such invalidity or unenforceability will affect only the portion of this Agreement, which is invalid or unenforceable. In all other respects, this Agreement will stand as if such invalid or unenforceable provision had not been a part hereof, and the remainder of this Agreement shall remain in full force and effect.

10.2 Nothing in this Agreement shall be construed as requiring or permitting either Party to contravene any mandatory requirement of federal or state law, or any regulations or orders adopted pursuant to such law.

11. INDEMNIFICATION

11.1 Each Party (the "Indemnifying Party") shall indemnify and hold harmless the other Party ("Indemnified Party") from and against loss, cost, claim liability, damage, and expense (including reasonable attorney's fees) to customers and other third parties for:

(a) damage to tangible personal property or for personal injury proximately caused by the negligence or willful misconduct of the Indemnifying Party, its employees, agents or contractors; and

(b) claims for libel, slander, or infringement of copyright arising from the material transmitted over the Indemnified Party's facilities arising from the Indemnifying Party's own communications or the communications of such Indemnifying Party's customers; and

(c) claims for infringement of patents arising from combining the Indemnified Party's facilities or services with, or the using of the Indemnified Party's services or facilities in connection with, facilities of the Indemnifying Party.

Notwithstanding this indemnification provision or any other provision in the Agreement, neither Party, nor its parent, subsidiaries, affiliates, agents, servants, or employees, shall be liable to the other for Consequential Damages (as defined in Section 12.3).

11.2 The Indemnified Party will notify the Indemnifying Party promptly in writing of any claims, lawsuits, or demands by customers or other third parties for which the Indemnified Party alleges that the Indemnifying Party is responsible under this Section, and, if requested by the Indemnifying Party, will tender the defense of such claim, lawsuit or demand.

(a) In the event the Indemnifying Party does not promptly assume or diligently pursue the defense of the tendered action, then the Indemnified Party may proceed to defend or settle said action and the Indemnifying Party shall hold harmless the Indemnified Party from any loss, cost liability, damage and expense.

(b) In the event the Party otherwise entitled to indemnification from the other elects to decline such indemnification, then the Party making such an election may, at its own expense, assume defense and settlement of the claim, lawsuit or demand.

(c) The Parties will cooperate in every reasonable manner with the defense or settlement of any claim, demand, or lawsuit.

12. LIMITATION OF LIABILITY

12.1 No liability shall attach to either Party, its parents, subsidiaries, affiliates, agents, servants, employees, officers, directors, or partners for damages arising from errors, mistakes, omissions, interruptions, or delays in the course of establishing, furnishing, rearranging, moving, terminating, changing, or providing or failing to provide services or facilities

(including the obtaining or furnishing of information with respect thereof or with respect to users of the services or facilities) in the absence of gross negligence or willful misconduct.

- 12.2 Except as otherwise provided in Section 11.0, no Party shall be liable to the other Party for any loss, defect or equipment failure caused by the conduct of the first Party, its agents, servants, contractors or others acting in aid or concert with that Party, except in the case of gross negligence or willful misconduct.
- 12.3 In no event shall either Party have any liability whatsoever to the other Party for any indirect, special, consequential, incidental or punitive damages, including but not limited to loss of anticipated profits or revenue or other economic loss in connection with or arising from anything said, omitted or done hereunder (collectively, "Consequential Damages"), even if the other Party has been advised of the possibility of such damages, except in the case of gross negligence or willful misconduct.

13. REGULATORY APPROVAL

The Parties understand and agree that this Agreement will be filed with the Commission, and to the extent required by FCC rules may thereafter be filed with the FCC. Each Party covenants and agrees to fully support approval of this Agreement by the Commission or the FCC under Section 252(e) of the Act without modification. The Parties, however, reserve the right to seek regulatory relief and otherwise seek redress from each other regarding performance and implementation of this Agreement. In the event the Commission or FCC rejects this Agreement in whole or in part, the Parties agree to meet and negotiate in good faith to arrive at a mutually acceptable modification of the rejected portion(s). Further, this Agreement is subject to change, modification, or cancellation as may be required by a regulatory authority or court in the exercise of its lawful jurisdiction.

The Parties agree that their entrance into this Agreement is without prejudice to any positions they may have taken previously, or may take in future, in any legislative, regulatory, judicial or other public forum addressing any matters, including matters related to the same types of arrangements covered in this Agreement.

14. PENDING JUDICIAL APPEALS AND REGULATORY RECONSIDERATION

The Parties acknowledge that the respective rights and obligations of each Party as set forth in this Agreement are based on the text of the Act and the rules and regulations promulgated there under by the FCC and the

Commission as of the Effective Date (“Applicable Rules”). In the event of any amendment to the Act, any effective legislative action or any effective regulatory or judicial order, rule, regulation, arbitration award, dispute resolution procedures under this Agreement or other legal action purporting to apply the provisions of the Act to the Parties or in which the FCC or the Commission makes a generic determination that is generally applicable which revises, modifies or reverses the Applicable Rules (individually and collectively, Amended Rules), either Party may, by providing written notice to the other party, require that the affected provisions of this Agreement be reviewed in good faith and, if agreed upon by the Parties, this Agreement shall be amended accordingly to reflect the pricing, terms and conditions of each such Amended Rules relating to any of the provisions in this Agreement.

15. MISCELLANEOUS

15.1 Authorization

15.1.1 TELCO is a corporation duly organized, validly existing and in good standing under the laws of the State of North Dakota and has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, subject to any necessary regulatory approval.

15.1.2 NEXTEL is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, subject to any necessary regulatory approval.

15.2 Compliance. Each Party shall comply with all applicable federal, state, and local laws, rules, and regulations applicable to its performance under this Agreement.

15.3 Independent Contractors. Neither this Agreement, nor any actions taken by NEXTEL or TELCO in compliance with this Agreement, shall be deemed to create an agency or joint venture relationship between NEXTEL and TELCO, or any relationship other than that of purchaser and seller of services. Neither this Agreement, nor any actions taken by NEXTEL or TELCO in compliance with this Agreement, shall create a contractual, agency, or any other type of relationship or third party liability between NEXTEL and TELCO end users or others.

15.4 Force Majeure. Neither Party shall be liable for any delay or failure in performance of any part of this Agreement from any cause beyond its control and without its fault or negligence including, without limitation, acts of nature, acts of civil or military authority, government regulations,

embargoes, epidemics, terrorist acts, riots, insurrections, fires, explosions, earthquakes, nuclear accidents, floods, work stoppages, equipment failure, power blackouts, volcanic action, other major environmental disturbances, unusually severe weather conditions, inability to secure products or services of other persons or transportation facilities or acts or omissions of transportation carriers (collectively, a "Force Majeure Event"). If any Force Majeure condition occurs, the Party delayed or unable to perform shall give immediate notice to the other Party (the "Second Party") and shall take all reasonable steps to correct the force majeure condition. During the pendency of the Force Majeure, the duties of the Parties under this Agreement affected by the Force Majeure condition shall be abated, without liability and the duties of the Parties shall resume once the Force Majeure event ends. Notwithstanding the foregoing, the Second Party may terminate all or any portion of the services affected by the Force Majeure event under this Agreement upon written notice, without liability if a delay caused by a Force Majeure Event continues for more than sixty (60) continuous calendar days.

15.5 Confidentiality

15.5.1 Any information such as specifications, drawings, sketches, business information, forecasts, models, samples, data, computer programs and other software and documentation of one Party (a Disclosing Party) that is furnished or made available or otherwise disclosed to the other Party or any of its employees, contractors, or agents (its "Representatives" and with a Party, a "Receiving Party") pursuant to this Agreement, whether verbally or in writing, ("Proprietary Information") shall be deemed confidential and the property of the Disclosing Party. Commencing on the Effective Date and continuing during and after the termination or expiration of this Agreement, each Party shall be fully responsible for any unauthorized use and disclosure of, and access to, the other Party's Proprietary Information. Accordingly, each Party shall employ administrative, physical, and technical safeguards that prevent such unauthorized access, disclosure, and use ("Safeguards"). Without limiting the foregoing, each Party shall at a minimum employ best industry practice to implement Safeguards to protect the other Party's Proprietary Information, whether "at rest" or in transport. Unless Proprietary Information was previously known by the Receiving Party free of any obligation to keep it confidential, or has been or is subsequently made public by an act not attributable to the Receiving Party, or is explicitly agreed in writing not to be regarded as confidential, such information: (i) shall be held in confidence by each Receiving Party; (ii) shall be disclosed to only those persons who have a need for it in connection with the provision of services required to fulfill this Agreement and shall be used by those persons only for such purposes; and (iii) may be

used for other purposes only upon such terms and conditions as may be mutually agreed to in advance of such use in writing by the Parties. Notwithstanding the foregoing sentence, a Receiving Party shall be entitled to disclose or provide Proprietary Information as required by any governmental authority or applicable law, upon advice of counsel, only in accordance with Section 15.5.2 of this Agreement.

15.5.2 If any Receiving Party is required by any governmental authority or by applicable law to disclose any Proprietary Information, then such Receiving Party shall provide the Disclosing Party with written notice of such requirement as soon as possible and prior to such disclosure, unless such notice is prohibited by a court order or other governmental authority. The Disclosing Party may then seek appropriate protective relief from all or part of such requirement. The Receiving Party shall use all commercially reasonable efforts to cooperate with the Disclosing Party in attempting to obtain any protective relief which such Disclosing Party chooses to obtain.

15.5.3 In the event of the expiration or termination of this Agreement for any reason whatsoever, each Party shall return to the other Party or destroy all Proprietary Information and other documents, work papers and other material (including all copies thereof) obtained from the other Party in connection with this Agreement and shall use all reasonable efforts, including instructing its employees and others who have had access to such information, to keep confidential and not to use any such information, unless such information is now, or is hereafter disclosed, through no act, omission or fault of such Party, in any manner making it available to the general public.

15.6 Governing Law. For all claims under this Agreement that are based upon issues within the jurisdiction (primary or otherwise) of the FCC, the exclusive jurisdiction and remedy for all such claims shall be as provided for by the FCC and the Act. For all claims under this Agreement that are based upon issues within the jurisdiction (primary or otherwise) of the Commission, the exclusive jurisdiction for all such claims shall be with the Commission, and the exclusive remedy for such claims shall be as provided for by such Commission. In all other respects, this Agreement shall be governed by the domestic laws of the State of North Dakota without reference to conflict of law provisions.

15.7 Taxes. Each Party purchasing services hereunder shall pay or otherwise be responsible for all federal, state, or local sales, use, excise, gross receipts, transaction or similar taxes, fees or surcharges levied against or upon such purchasing Party (or the providing Party when such providing Party is permitted to pass along to the purchasing Party such taxes, fees

or surcharges), except for any tax on either Party's corporate existence, status or income. These amounts shall be billed as a separate item on the invoice. All purchases under this Agreement are for resale in the ordinary course of purchasing Party's business. Purchasing Party shall furnish the providing Party a proper resale tax exemption certificate as authorized or required by statute or regulation by the jurisdiction providing said resale tax exemption.

- 15.8 Assignment. This Agreement shall be binding upon the Parties and shall continue to be binding upon all such entities regardless of any subsequent change in their ownership. 15.11 Dispute Resolution.

Except as provided under §252 of the Act with respect to the approval of this Agreement by the Commission, the Parties desire to resolve disputes arising out of or relating to this Agreement without, to the extent possible, litigation. Accordingly, except for action seeking a temporary restraining order or an injunction related to the purposes of this Agreement, or suit to compel compliance with this dispute resolution process, the Parties agree to use the following dispute resolution procedures with respect to any controversy or claim arising out of or relating to this Agreement or its breach.

Informal Resolution of Disputes. At the written request of a Party, each Party will appoint a knowledgeable, responsible representative, empowered to resolve such dispute, to meet and negotiate in good faith to resolve any dispute arising out of or relating to this Agreement. The Parties intend that non-lawyer, business representatives conduct these negotiations. The location, format, frequency, duration, and conclusion of these discussions shall be left to the discretion of the representatives. Upon agreement, the representatives may utilize other alternative dispute resolution procedures such as mediation to assist in the negotiations. Discussions and correspondence among the representatives for purposes of these negotiations shall be treated as Confidential Information developed for purposes of settlement, exempt from discovery, and shall not be admissible in the arbitration described below or in any lawsuit without the concurrence of all Parties. Documents identified in or provided with such communications, which are not prepared for purposes of the negotiations, are not so exempted and may, if otherwise discoverable, be discovered or otherwise admissible, be admitted in evidence, in the arbitration or lawsuit.

Formal Dispute Resolution. If negotiations fail to produce an agreeable resolution within ninety (90) days, then either Party may proceed with any remedy available to it pursuant to law, equity or agency mechanisms; provided, that upon mutual agreement of the Parties such disputes may also be submitted to binding arbitration. In the case of an arbitration, each Party shall bear its own costs. The Parties shall equally split the fees of any mutually agreed upon arbitration procedure and the associated arbitrator.

Continuous Service. The Parties shall continue providing services to each other during the pendency of any dispute resolution procedure, and the

Parties shall continue to perform their payment obligations including making payments in accordance with this Agreement.

- 15.12 **Publicity and Use of Trademarks or Service Marks.** Neither Party nor its subcontractors or agents shall use the other Party's trademarks, service marks, logos or other proprietary trade dress in any advertising, press releases, publicity matters or other promotional materials without such Party's prior written consent.
- 15.13 **Joint Work Product.** This Agreement is the joint work product of the Parties and has been negotiated by the Parties and their respective counsel and shall be fairly interpreted in accordance with its terms. In the event of any ambiguities, no inferences shall be drawn against either Party.
- 15.14 **No Third Party Beneficiaries; Disclaimer of Agency.** This Agreement is for the sole benefit of the Parties and their permitted assigns, and nothing herein expressed or implied shall create or be construed to create any third-party beneficiary rights hereunder. Except for provisions herein expressly authorizing a Party to act for another, nothing in this Agreement shall constitute a party as a legal representative or agent of the other Party; nor shall a Party have the right or authority to assume, create or incur any liability or any obligation of any kind, express or implied, against, in the name of, or on behalf of the other Party, unless otherwise expressly permitted by such other Party. Except as otherwise expressly provided in this Agreement, no party undertakes to perform any obligation of the other Party, whether regulatory or contractual, or to assume any responsibility for the management of the other Party's business.
- 15.15 **No License.** No license under patents, copyrights, or any other intellectual property right (other than the limited license to use consistent with the terms, conditions and restrictions of this Agreement) is granted by either Party, or shall be implied or arise by estoppel with respect to any transactions contemplated under this Agreement.
- 15.16 **Technology Upgrades.** Nothing in this Agreement shall limit either Parties ability to upgrade its network through the incorporation of new equipment, new software or otherwise, provided it is to industry standards, and that the Party initiating the upgrade shall provide the other Party written notice at least ninety (90) days prior to the incorporation of any such upgrade in its network which it reasonably believes will materially impact the other Party's service. Each Party shall be solely responsible for the cost and effort of accommodating such changes in its own network.
- 15.17 **Entire Agreement.** The terms contained in this Agreement and any

Schedules, Exhibits, tariffs and other documents or instruments referred to herein are hereby incorporated into this Agreement by reference as if set forth fully herein, and constitute the entire agreement between the Parties with respect to the subject matter hereof, superseding all prior understandings, proposals and other communications, oral or written. Neither Party shall be bound by any preprinted terms additional to or different from those in this Agreement that may appear subsequently in the other Party's form documents, purchase orders, quotations, acknowledgments, invoices or other communications. This Agreement may only be modified by a writing signed by an authorized employee of each Party.
